ACTIVITY REPORT- Report on Soil and Water testing project

Academic Year: 2023-2024

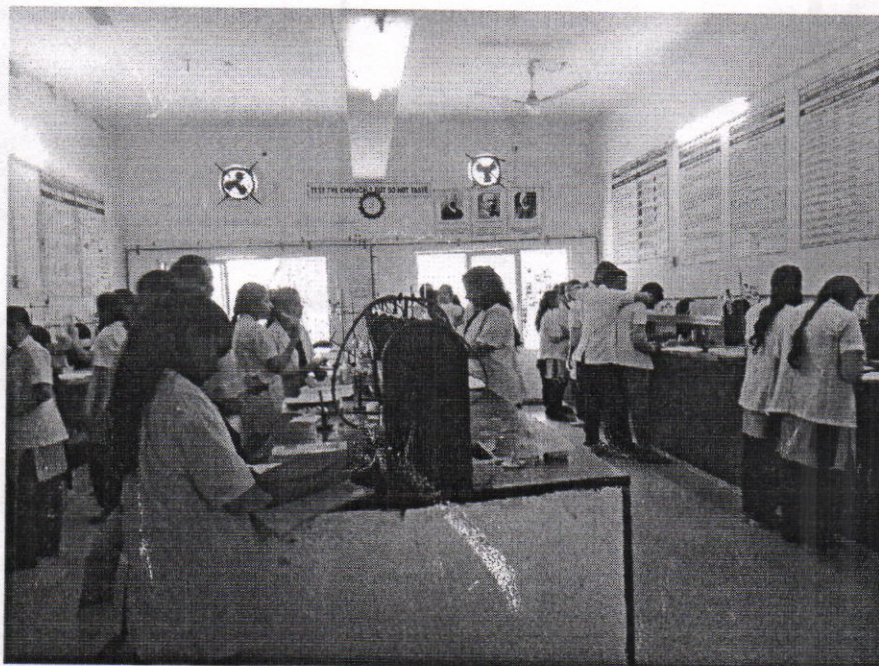

Participants count: 40

Date of Activity: 01/02/2024-12/04/2024

Place: Chemistry Lab, NKS Model College, Karanja Ghadge

Objective (100 words): A farm which is used for farming it has two main parts one is soil and second is water. So it is necessity to check the parameters regarding the soil and water. Our college and department of chemistry have decided to run some project for students regarding selective parameters of soil and water. Generally Science students are participated in such a project. In this project, 40 students of B.Sc. I & III were participated during this session 2023-24. While doing this project all 40 students are collected the soil and water sample from various farms and various wells or hand pumps or rivers for checking the parameters in college Chemistry Lab
