## Invitation

With immense pleasure, we extend an invitation to students and faculty members from all Higher Educational Institute to participate in 'National Conference On Recent Trends in Physical & Mathematical Sciences (NCRTPM- 2023)' on 5<sup>th</sup> April 2023.

## About College

Narayanrao Kale Smriti Model College, (Arts, Commerce & Science), Karanja (Gh.), was established in 1989 by visionary personalities the Late MLA Narayanrao Kale and Late Bhausaheb Deshmukh to make education easily accessible to Karanja and nearby villages' students. Right from its beginning, the college has played pivotal role in the educational, cultural and societal development of students by simultaneously imparting undergraduate (B.A., B.Com. & B.Sc.) education keeping in mind its motto 'EDUCATION TO ALL'.

## About the Karanja (Gh.) City

Karanja (Gh.) is a town in Wardha district. It is the confluence of rural and urban ambience as it is situated adjacent to the National Highway No. 6. This town is encircled by enthralling panoramic landscape and vista. Karanja (Gh.) is always imbued with the devotional atmosphere of the spirituality of the Sant Latare Maharaj. Karanja (Gh.) is a central point from which Amravati, Nagpur and Wardha city are connected at the same distance of 75 Km.

## About the Conference

The main objective of the conference is to bring together leading scientists, academicians,

scholars and students who have engaged actively in various aspects of novel technologies under one umbrella to discuss and dissipate knowledge of recent trends in physical & mathematical sciences, which plays a significant role in all aspects for the human welfare.

### Objective:

The resource person this program, Dr Niraja A. Dhanwate, Associate professor, Dept. of Microbiology, SGB Amravati university, Amravati. The topic of her talk was "Patent filling process". Dr Haribhau Verurkar was the chairperson of the session. Dr Niraja Dhanwate elaborated the process of patent filling. She made the participants understand the complex process of patent filling in simple and lucid way. She named the certain websites where you could register your patent.

She highlighted that patent is very essential to own property rights of your intellectual wealth and the intellectual property could bring innovation, knowledge and cutting-edge skills to bring about development for the development of country. She further insisted that research scholars, teachers should be lethargic. If someone intellectual faculties invent something new never happed / discovered / invented before. In this way, considering a large & vast pool of researchers of India, we should be proactive to reserve intellectual property rights by filling patent.
