- 9. Online Video Lectures and E Content
- 10. E-Waste Management

### E-governance in following areas:

For convenience purposes, the policy is divided into various areas of operation. These areas of operation are illustrative and the society reserves the right to implement e-governance even in the areas not enlisted herewith.

- 1. Website & Social Media: The website will act as an information center which will reflect about the college, all its activities, important notices, courses offered, etc. The website should act as a mirror of the college activities and information about all activities, important notices etc. should be made easily available. Website is hosted & deployed by a third party on a secure
- 2. platform. Along with it, training should be given to the existing staff and persons should be identified who will undertake the responsibility of website administration and updating at the college level. Important information & achievements will be posted in the Social Media. A Website Committee to be formed for the administration of the college website. The Committee will look after the process of updating, maintaining and working of the website on a regular basis. The Committee will also look for other changes that are required on the website. The College strives to showcase its vibrant self and activeness through its website. All the important notifications have to go live

on the website as and when they are released. The website of the college to be continuously updated taking into account the new changes.

- 2. Student Administration Including Hostels: The College brings out its notice which is displayed on the website as well as on notice board for the admission process. Website (http://cicbmsngp.org.in/content/admission-guidelines/admission-guidelines29) has to be used to manage the admissions in the college. Number of students can apply course by registering this website, admission fees is managed through this website only. Students are also required to submit a separate Online Application Form for taking admission to the college.
- 3. Academics: Admin Staff (Teaching as well as non-teaching Staff) to be provided with adequate training and development to keep them abreast with the new technology in regular intervals.
- 4. Communication: Regular updates about student to be communicated with respect to Student on Fees, college updates & other academic matters by uploading notices on website and WhatsApp group made by Professors.
- 5. Finance & Accounts: For ease of maintaining accounts & Finance suitable Tally ERP Software package to be implemented. Reports can be generated for all Staff members. Payments are generally made and received through online mode such as NEFT, RTGS, Bank Transfers, etc.
- **6. Library:** The College continues to maintain its academic excellence through maintaining a well-stocked library. The College will add more and more e-learning resources for the benefit of the teachers and the students. The College should continue to subscribe to new journals and books regularly. Recommendations are taken from the teachers and students while subscribing to the e-resources. Professors can apply to get books of different authors for the subjects they are teaching to increase the knowledge database.
- · Entire Library System with respect to Issue, reference to be automated and Staff & Students to access the library resource in & outside the campus
- · In future original writing among students and teachers, the Library should provide access to a fully automated software for plagiarism check.
- · Library software provides facilities of search books by different approach of user. Users search a library catalogue principally to locate books and other material available at a library. Users reserve books by this facility.
- · E-library is also available for e-books and other literature.
- · E-public library is also available. Anyone can read books, magazine and newspapers by clicking on the link
- The library is linked with Delnet for online books and journals. Access to e-journals & E resources to be provided within the campus by using N-list. Consortium of e-Resources in different subjects of college for teaching, reading, self-study and research.
- 7. Placements: Placement to maintain student info & provide access to placement information on their fingertips by placement cell. All information's related with placement cell is uploaded on website and also circulated in Whatsapp & Telegram Group.

- **8. Alumni:** In order to strengthen our alumni relationships, a separate alumni page to be created on the website providing facilities like registration, prominent alumni of the college, feedback and many other aspects. Alumni association to be consulted for regular updates and database management.
- **9. Feedback**: Feedback from students, parents and alumni of our college is taken online. The students can also give feedback to our faculty members.
- 10. Online Video Lectures and E Content: The sudden outbreak of a deadly disease called Covid-I9 caused by a Corona Virus (SARS-CoV-2) shook the entire world. The World Health Organization declared it as a pandemic. The COVID-I9 pandemic has wreaked havoc on everyone's lives, and seniors were profoundly affected. This situation challenged the education system across the world and forced educators to shift to an online mode of teaching overnight. Many academic institutions that were earlier reluctant to change their traditional pedagogical approach had no option but to shift entirely too online teaching-learning. During this Pandemic period our college faculty members has developed online video lectures and e content. All lectures and contents are uploaded on website by clicking link
- 11. E-Waste Management: Our college ensures that usage of technology and generation of e-waste doesn't impact environment.
