UGC SPONSORED

CERTIFICATE COURSE IN COMMUNICATIVE ENGLISH

ANNUAL REPORT

2020-21

Narayanrao Kale Smruti Model College,Karanja (Gh.) Dist – Wardha

UGC Sponsored certificate course in communicative English

2020-21

Language is a medium to express feelings and emotions. Human beings only have such supreme quality, distinguished from other living things in this universe. If emotions are suppressed, it results in disastrous effect. There are number of languages spoken in the different part of the world. But, purpose of all the languages is same that it is means of communication. It is found that rural students are in constant fear about English. They hesitate to reveal their thoughts and feelings due to obstacle of proper communication skills in English. It is a need of generation that communicating in English became compulsory in today's changing scenario. Taken in Consideration this need of rural students , University Grant Commission frequently delivered their support for such student related activities from beginning.

Our college receive UGC sponsored certificate course in communicative English from session 2016 -17. The course is for five years and 40 students are admissible each year. The program runs parallel to our B.A. B.Com. and B.Sc. At the end of year, certificate awarded to the students after conducting examinations. It is also found that students are able to communicate properly by the help of this course. In today's competitive world, it is necessary to have knowledge of computer and English. It is our sincere effort to improve student's knowledge for their bright future

Our college started UGC Sponsored certificate course in communicative English from session 2016-17 and onwards. Consequently, from four years, department of English, carried out this course with its activities of teaching, assessment and evaluation process regularly. But, in this session, due to Pandemic Covid 19 situation, not only in India, but also in other parts of the country, hampered normal living of human beings. Its impact on every sphere of life though it may be political, economic, social, educational, industrial or any field of life. It is not possible to conduct physical classes of our students, but try to accomplish our syllabus by other means of advance technology. This is a last year and completed with different teaching away from our regular teaching. But it provides a new experience to the students. There are lot of hindrances in

this process as network issues, availability of computers and mobiles at students. All the duties completed by the following teaching faculty members -

Sr. NO	Name of the staff	Qualification
1	Dr. Mohan S. Mendhe	M.A.(Eng) M.Phil. Ph. D.
2	Prof. Dipak C. Dharne	M.A. (Eng) Net (JRF)

All the schedule, has been completed by the professors throughout the year. It consists of online lectures. We have a good response of the students to this course constantly. Students not only attended theory online lectures but also involved in innovative practices relating to this course. We usually arrange Debate Competition in the class. We organize such Essay Competition (Online Mode) on dated 29 Sept. 2020. Topic of the Competition was “remedies to save ourselves from Covid 19 ?” Students spontaneously express their views as topic is concerning to their health. Those students who are mute listeners in beginning, found to be involved in.

We stressed on interview skills and frequently arrange such interviews in the class. It improves student’s courage, self-confidence and soft skills, Viva voce exam undertaken in the concluding of session with online platform. Such skills develop personality of students to aspire them for their bright future. Throughout the year, we tried our best for the all round development of the students. Personality development is the need of generation. It is found that students have problems relating to pattern of sentences but, frequent practices prepared students to acquire fluency in this field also.

Students know the importance of English as essential for their life. If they search for better future, they should always ready to accept the changing scenario of today. A practical lecture helps students to have knowledge about computers also. We celebrate birthday of William Shakespeare ‘Father of English Literature on 23 April.’ Students collected pictures and literature of Shakespeare. The day is celebrated as Book Day. Lectures are also given on the life and literature of Shakespeare. The entire student participated in this program. It is not only informative but also creates interest among the learners about great dramatist like William Shakespeare.

If you have a good collection of words, then you speak number of sentences without hesitation. Grammar and vocabulary is the basic part to get acquainted with any language of the world. Teachers give Practices on grammar regularly. Students completed home assignment relating to multiple subjects. Class seminar is also of utmost importance. We organize such Seminars in the class room. It increases Student's confidence level which helps them to search for bright future. It is found that students have enough courage to face interviews due to this course. The students in the villages hesitated and frightened in the beginning, prove their existence in the world of cut throat competition.
