Analysis of Parents Feedback

The parents' feedback form was filled up from 20 parents. The feedback form contains 15 questions, out of which there are four questionnaires. According to questionnaire, Parents agreed to have freedom allowed to students to be opt subject/faculty and expert and experienced teacher faculty-wise in the institute. And average 80% to 90% of the parents gave preference to innovative and novel courses apart from teaching learning process for overall development of the students.

Along with this, the parents were satisfied with non-teaching faculty. The parents were satisfied with the facilities provided by Department of Library and Computer Laboratory to get glimpses and insight of happenings, development around the globe in various stream of subject.

Analysis of Alumni Feedback

The Alumni committee has been fully functional and active to contribute its share every possible ways and means to the development of the institute. Alumni come together at the alumni meetings at regular intervals. Their opinions, suggestions and recommendations are very important in view of development of the institute. In order to improvement of the institute, the feedback forms were filled up from alumni every year. Alumni collected fund and donate the mortuary to Government hospital Karanja as a social responsibility.

The alumni have suggests to start new PG courses which will be very helpful for the rural student to take further higher education. They also advised to run some skill development programs in view of self-employment for the student, guidance cell to provide information about different courses and job opportunities for the student.

Analysis of students feedback

The student's feedback form of each teaching faculty taken for every academic session about the syllabus review. The student feedback form is very important to strengthen the quality of teaching-learning environment and to look for opportunities to improve teacher's performance in classroom engagement with student to bring excellence in teaching and learning process.

The overall conclusion of the collected feedback about syllabus and course content is analysed. It is concluded that the student are satisfied with the depth of the course content, extent of coverage of course and learning values in terms of knowledge, concept skill, analytical abilities of the teacher.

All this points mentioned above, discussed thoroughly in the monthly staff meeting. This point then put forth in the LMC meeting and the appropriate action has been taken. In view of that, the placement and guidance cell organized the campus interviews for regular and passed students.
